

FANTASY FOOTBALL LEAGUE 2026-27

Welcome to the second update of this brand new season of Fantasy Football League. Today's update covers the five day period **Tuesday 1st September 2026 through to Saturday 5th September 2026**. This week see's the start of our first Manager of the Month as we slid calmly into the month of September 2026. In today's update, you learn how you can discover your points total and place in this season's competition if you don't have access to the internet. Also, news on FFL Mini-Leagues.

As always at the start of a new FFL season we begin with an appeal, if you can't find your team or I have miss-spelt it please get in touch with the FFL Helpdesk (Not the paper please). Can I however ask you not to get in contact until after you have seen the **full** FFL table online. The paper can only show a small proportion of the teams that have entered. Please note there has been a massive issue with the post this season, so if your team is missing please get in touch with me. Let me just quickly explain the process when you enter by post. Your entry arrives at the paper, and the payment is removed and then your entry is posted down to me at FFL headquarters in Somerset.

Now for some information about viewing the FFL 2026/27 online, it is again being done via my own website which can be reached either via the Football League Paper's website or via the link to my site, which is here [Fantasy Football League 2026/27](#) so save the website as a bookmark. The site will be updated every weekend with a full update either on Saturday evening or Sunday morning.

If you don't have access to the internet, I am happy to supply a text service every three weeks with your position in the FFL 2026/27 table and the points you have scored. **Please** can I ask that as I do this competition all by myself that you only request the text service if you have no access to the internet at all. It has come to my attention that some of you who I was texting last season did have access to the internet. It is not possible for me to do hundreds of texts. If you would like to take advantage of the text service, please send a text to the FFL Helpdesk mobile number (07909993854), with team name and surname please. **But please remember that I will only text you if you have no access to the internet.**

Over the last few years, I have run several FNL Mini-Leagues. These mini leagues are updated every three weeks and appear on my own fantasy website. So, if there are several of you involved in the fight for FFL 2026/27 supremacy then why not ask me to run you a mini league. I do it free of charge. An example of what I mean is I had three FNL mini leagues last season they were a set of St Albans City supporters, WBA/Wolves and Weymouth FC supporters, and Nuneaton Town supporters. If you would like to have you own FFL Mini-League, then again please get in touch with the FFL Helpdesk. This also includes family groups or if you are doing FFL 2026/27 battle at work.
