

FANTASY FOOTBALL LEAGUE 2026-27

Welcome to the fourth update of this brand-new season of Fantasy Football League. Today's update covers the period from **Sunday 13th September 2026 through to Saturday 19th September 2026**. Next weekend I am hoping to do the first text update and our first set of FFL Mini Leagues. So, I am giving you a final reminder on what this entails. If you want either of these services, please get in touch with the FFL Helpdesk.

If you don't have access to the internet, I am happy to supply a text service every three weeks with your position in the FFL 2026/27 table and the points you have scored. **Please** can I ask that as I do this competition all by myself that you only request the text service if you have no access to the internet at all. It has come to my attention that some of you who I was texting last season did have access to the internet. It is not possible for me to do hundreds of texts. If you would like to take advantage of the text service, please send a text to the FFL Helpdesk mobile number (07909993854), with team name and surname please. **But please remember that I will only text you if you have no access to the internet.**

Over the last few years, I have run several FNL Mini-Leagues. These mini leagues are updated every three weeks and appear on my own fantasy website. So, if there are several of you involved in the fight for FFL 2026/27 supremacy then why not ask me to run you a mini league. I do it free of charge. An example of what I mean is I had three FNL mini leagues last season they were a set of St Albans City supporters, WBA/Wolves and Weymouth FC supporters, and Nuneaton Town supporters. If you would like to have you own FFL Mini-League, then again please get in touch with the FFL Helpdesk. This also includes family groups or if you are doing FFL 2026/27 battle at work.

Before we get into this week's stats, I want to give you the heads up on something I am planning for later in the season. As most of you are aware, I have removed the substitutions from the game. It wasn't a decision I took lightly. So, I am in the process of putting together a new game that will start from the 1st of January 2027. It is in the early stages of planning, and it will include a new feature that I am hoping to rollout in next season's fantasy games. So, over the next couple of months keep an eye out for updates both in these weekly updates and on my website.
