

FANTASY NON-LEAGUE 2026-27

Well, here we go!! Welcome to the first update of a brand new season of Fantasy Non-League. Today's update covers the period **Friday 7th August 2026 through to Monday 31st August 2026**. Welcome aboard another Fantasy Non-League journey. It's an adventure that will take us all the way through to May 2027. There will be lots of bumps on the way and I am sure you have experienced quite a few already. If you are new to the game? Great to have you onboard I can promise you a great ride. So good luck to you all!!

As always at the start of a new FNL season we begin with an appeal, if you can't find your team or I have miss-spelt it please get in touch with the FNL Helpdesk (Not the paper please). Can I however ask you not to get in contact until after you have seen the **full** FNL table online. The paper can only show a small proportion of the teams that have entered. Speaking about viewing the FNL 2026/27 online is again being done via my own website which can be reached either via the Non-League Paper's website or the link to my site, which is here [Fantasy Non-League 2026/27](#) so save the website as a bookmark. The site will be updated every weekend either on Saturday evening or Sunday morning.

Now for some info about the game itself. Regarding Manager of the Month the first one is for the month of September 2026 only. Please remember only the actual points scored each month via the results count towards your Manager of the Month total. Also included is the Manager of the Month bonus points which are awarded to the three best and worst performing teams for the month that is play.

As we are now at the end of August 2026 that means we already have a set of end of month league leader's bonuses to let you know about.
