In this season's competition the winner and the second placed team entered the game in between the season starting and the 31st of August 2025 deadline. However, the team that finished in third place entered the competition before the season started which is a great effort.

So that is it, we come to the end of another Fantasy Non-League season. Thank you for playing and I know from your emails and phone calls to the FNL Helpdesk that you love playing. I must thank those people who keep an eye on the points and pick me up for the odd mistake here and there. They know who they are so thank you. A special mention to Dave Woodcraft from Grimsby who has kept an eye on both my football fantasy games.

It would be great to reach 1,000 players on Fantasy Non-League next season so please grab a few friends and also why not give the FNL's sister competition a go, Fantasy Football League which features the EFL and the National League and National North & South.

Please contact the FNL Helpdesk if you have any ideas on improvements, I am always open to new ideas and I already have a couple up my sleeve which will make next season very interesting.

Well, done to all our winners over the season, that of course includes all our Manager of the Month as well as today's End of Season winners, and hard luck to the rest of you.

It's time for a small break for me so I can recharge the batteries, but we will back for the 2026/27 season, so lookout around the middle of July 2026 for Fantasy Non-League 2026/27!!
